## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 16-20, 22, 23, 25-27, 30, 32, 34 and 37-39 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art fails to teach or suggest a contact device for an electrical cable having a gear ring formed from radially inward bent edges of the contact device, and the gear ring having teeth and rigid stops that bent radially inward and between the teeth, in combination with the remaining limitations of the claim(s).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
